Parent Co-Op Participation and Responsibilities

NPCCP is a cooperative effort that cannot thrive without the time and talents of its students’ family members. Our school’s low tuition is possible partially due to the volunteer contribution of parents in the classroom and on a parent committee. If you are unable to volunteer in the classroom each month or 9 times throughout the school year, you will need to pay an additional \$50 in tuition each month to waive your classroom volunteer duties.

Along with volunteering in the classroom monthly, your participation on a parent committee is essential to the functioning of our school. Our bylaws require that one parent from each family serve on a committee. Please sign up to be a committee member or committee chair at our Fall Parent Orientation Night on 9/5/24; 7-8pm. Your commitment should not exceed two hours a month average and could vary slightly from month to month.

Please email or mail in your application. Applications may also be completed online via the GoogleForm link on our webpage.

A non-refundable \$100 application fee must be paid online in order for your application to be complete.

To pay Application Fee: Visit <http://www.npcovenant.org/npccp/> and click “Pay Tuition”.

Be sure to select NPCCP Tuition as the Fund and indicate APP FEE in the Memo Box.

Financial aid is available to those who qualify. Applications are issued upon request.

Thank you for applying to NPCCP!

Warmly,
